

Bleacher Butty: Frequently Asked Questions

What colors are available?

A wide variety of colors are currently available. If you desire a specific color pantone that is not already available, we can provide a custom color match for an additional fee.

Can I specify a specific color?

Yes. We can compare the specified color with the color pantones available. If the specified color does not match any colors pantones available, we can provide a custom color match for an additional fee.

How many colors can the logo be for screen printing?

Currently screen printing can be only one color on the top and/or front surfaces.

Is there a minimum quantity?

Yes, ALL cushions require a minimum of 50 pieces PER COLOR.

Can I buy cushions without a screen printed logo?

Yes, cushions can be purchased without screen printing.

How long does an order take to be processed?

Two to four weeks depending upon the color choice. Orders of 200 or more may take longer.
